 2 Networks, Inc. (“Arista”) hereby makes the following supplemental initial disclosures. Arista
 3 makes these disclosures based on information that is reasonably available to it at this time,
 4 following a good faith inquiry in accordance with Federal Rule of Civil Procedure 26. Discovery

 12 referring to documents and individuals in the initial disclosure process, Arista makes no
 13 representation or concession regarding the relevancy or appropriateness of any particular witness,

 15 Cisco Systems, Inc.’s (“Cisco”) allegations, it may supplement these disclosures, or replace one
 16 or more of the items below with new information that is better suited to the issues in this case. In
 17 addition, Arista does not waive any objections as to the relevance or admissibility of any witness,
 18 document or other information at trial or with regard to any pleading filed with or argument made
 19 before this Court.

 16 documents sufficient to evidence their development, structure, operation, and/or
 17 characteristics.

 22 history for the Patents-in-Suit.
- 23 • Documents relating to the prior art cited during the prosecution of the Patents-in-
 24 Suit, and other prior art related to the Patents-in-Suit.
- 25 • Documents in the possession, custody or control of Cisco, or its current or prior

27 The above-referenced categories of documents that are in Arista's custody are located at
 28 Arista's offices at 5453 Great America Parkway, Santa Clara, California 95054, or another Arista
